Dear Parents/Guardians,

I wanted to let you know that the students have made the opening of this school year, the best ever here at SVRCS! The students are helpful, caring, and happy that they are back at school whether they are here on campus or are attending virtually at home. I am proud that the students are taking all of the safety precautions seriously. I want to **Thank you** for all of the many conversations that I know that you have had with your children that have prepared them for the start of this school year!

SVRCS Parents Rock!

As we approach the three-day holiday weekend, I want you to be extra careful if you are traveling out of state. Please be aware of the travel recommendations that Pennsylvania has put into place. I have placed the link below for you to see which states are listed for the recommended 14-day quarantine upon returning to PA.

I appreciate all that you do for your children and SVRCS. Please stay healthy and safe!
