November 9, 2020

Good morning,

Over the weekend, we reached out to our SVRCS family to alert everyone to the presence of a case of COVID-19 within our school staff. We spent the weekend in communication with PA Dept of Health officials and medical personnel.

According to state guidelines, anyone who spent more than 15 minutes within 6 feet of this individual would need to be contacted with further instructions. As of this morning, anyone that falls within those guidelines has been notified. No additional notifications are required at this time. School will reopen tomorrow as planned.

Please remember to monitor your child/children by checking for elevated temperature and/or other COVID symptoms every morning. Any students displaying symptoms should be kept home as a precaution.

Please stay healthy and safe.

Tracie Kennedy, CEO
